PROCEDURE FOR POSTING A DRIVEWAY BOND

The Town of Fremont has adopted Driveway Regulations. Within these regulations, there are outlined criteria for completion of all driveways on Town Roads. Copies of these regulations are available at the Selectmen's Office or at www.Fremont.nh.gov.

The following is the list of items that need to be completed in order for your driveway to be approved by Fremont's Road Agent:

1. A "Driveway Permit Application Form" must be completed and submitted along with the required fee. (Forms are provided by the Building Inspector, Selectmen's Office or can be downloaded from the Town website.)
2. A site visit to obtain an initial approval of the application by the Road Agent.
3. Construction and completion of all work as approved within the application.
4. Final approval and sign-off by the Fremont Road Agent.

A minimum of a thirteen (13) foot apron is to be paved in from the roadway. (See Driveway Regulations Article 7). If final paving and apron work is not completed prior to the need for an occupancy certificate, a cash escrow bond of \$2,000.00 payable to the Town of Fremont has to be posted at the Selectmen's Office. This money is held in escrow by the Town Treasurer and reimbursed upon satisfactory completion of work required by Road Agent and his final signature on the Driveway Permit. The work must be complete within six months of the date of the posting of the bond; else the work may be completed under the direction of the Town's Road Agent and all funds shall be forfeited.

This escrow bond needs to be posted by check or cash. The bond is maintained by the Treasurer and is subject to a \$2.00 per month maintenance fee. Return of this money would be less the administrative fees and any costs incurred by the Town, plus interest earned.

The owner should complete a request to post such a bond; or can submit such request in a letter form requesting this bond, including name, address, property map and lot number.

Please complete and return the next page, which will serve as an application for the posting of a bond in lieu of paving your driveway apron now.
